Step 3: Letter of explanation that includes ALL of the information listed below:

- The extenuating circumstances.
- How those circumstances affected you academically.
- How those circumstances have been resolved, or when they will be resolved.
- What has changed that will ensure significant academic improvement for future semesters.

Step 4: Email, mail, fax or drop off this completed form and documentation to:

Step 6: Read and sign:

By signing this form, I confirm that I have submitted this petition and supporting documentation because I experienced extenuating circumstances that I could not have predicted and that were beyond my control. I understand that submission does not guarantee approval of the petition. I understand that an approval of the petition may not occur before bills are due for the semester; which may require alternative payment arrangements. I certify that the statement and information I have reported to qualify for federal and certain State/private student aid is complete and accurate. I understand that purposely giving false or misleading information is a federal offense that can result in fines and/or incarceration.
