Instructions to Offerors

DISCLOSURE OF CONFLICTS OF INTEREST OR UNFAIR COMPETITIVE ADVANTAGE (APR 2023):

("OCI FAQ for Contractors" is available at www.procurement.sc.gov) (a) You certify that, to the best of your knowledge and belief: (1) your offer identifies any services that relate to either this solicitation or the work and that have already been performed by you, a proposed subcontractor, or an affiliated business or consultant of either; and (2) there are no relevant facts or circumstances that may give rise to an actual or potential organizational conflict of interest, as defined in S.C. Code Ann. Reg. 19- 445.2127, or that your offer identifies and explains any unfair competitive advantage you may have in competing for the proposed contract and any actual or potential conflicts of interest that may arise from your participation in this competition or your receipt of an award. (b) If you, a proposed subcontractor, or an affiliated business or consultant of either, have an unfair competitive advantage or a significant actual or potential conflict of interest, the State may withhold award. Before withholding award on these grounds, the State will notify you of the concerns and provide a reasonable opportunity for you to respond. The State may consider efforts to avoid or mitigate such concerns, including restrictions on future activities. (c) The certification in paragraph (a) of this provision is a material representation of fact upon which the State will rely when considering your offer for award. [02-2A047- 3]

ORGANIZATIONAL CONFLICT OF INTEREST (APR 2023):

(a) The Contractor agrees to immediately advise the Procurement Officer if an actual or potential organizational conflict of interest is discovered after award, and to make a full written disclosure promptly thereafter to the Procurement Officer. This disclosure shall include a description of actions which the Contractor has taken or proposes to take, after consultation with the Procurement Officer, to avoid, mitigate, or neutralize the actual or potential conflict. (b) The State may terminate this contract for convenience, in whole or in part, if it deems such termination necessary to avoid an organizational conflict of interest. Contractor's failure to include an appropriate termination for convenience clause in any subcontract shall not increase the obligation of the State beyond what it would have been if the subcontract had contained such a clause. (c) The disclosure required by paragraph (a) of this provision is a material obligation of the contract. If the Contractor knew or should have known of an organizational conflict of interest prior to award, or discovers an actual or potential conflict after Organizational Conflicts of Interest PGI, page 32 award, and does not disclose, or misrepresents, relevant information to the Procurement Officer, the State may terminate the contract for default.
